

INTERNATIONAL COALITION OF SITES OF CONSCIENCE – EUROPE

In 2015, the International Coalition of Sites of Conscience – Europe (ICSC-Europe) was established as an independent legal entity following more than eight years operating as one of seven regional networks of the International Coalition of Sites of Conscience (ICSC). Registered as a non-profit organization in Belgium, ICSC-Europe was founded to solidify a unified and sustainable platform for action for the European Sites of Conscience Network.
